how it all works... GIVING IT SOME GAS

SAQCC Gas is Non Profit Company that has been formed by the four (4) Member Associations to establish a central database which displays details of registered and authorised Gas Practitioners to work on gas and gas systems.

SAQCC Gas has been officially appointed and mandated by the Department of Labour to register Gas Practitioners, on their behalf, within the following gas industries:

- Natural Gas
- Liquefied Petroleum Gas
- Air Conditioning and Refrigeration Gas
- Compressed Industrial and Medical Gases

The four Associations play a pivotal role in assuring compliance with the safety regulation through: training, creating awareness proof of competency and certificate of compliance.
