

SEASONS GREETINGS

December 2022

Having the opportunity to serve you throughout the year has been a great pleasure. We are looking forward to 2023 and All the Best.

The SAQCC Gas Board of directors have agreed that it will be beneficial to all practitioners and companies adjusting to the current economy post Covid-19, to not increase the current registration fee in 2023.

We would like to wish you a safe and jolly holiday season, may it be a season filled with peace, joy, and happiness.

John Parry
SAQCC Gas Chairman

ELECTRONIC COCS

Please ensure that you have enough electronic CoC's in your account or should you need more CoC's while the offices are closed, please use the Net cash option to purchase.

For any emergencies on the electronic CoC please click on the link to join whatsapp group and raise your concerns or join our telegram group.
