

15 YEARS OF COMPLIANCE

May 2023

CELEBRATING 15 YEARS

It's been 15 years since SAQCC Gas was formed under the mandate from Department of Employment and Labour.

Over the years Air Conditioning and Refrigeration Industry Council of South Africa (ACRICSA) was replaced by South African Refrigeration & Air Conditioning Contractors Association (SARACCA).

South African Pipeline Gas Association (SAPGA) changed to Southern African Gas Association (SAGA) and Liquefied Petroleum Gas Safety Association of Southern Africa

(LPGSASA) changed to Liquefied Petroleum Gas Association of South Africa (LPGSA)

The Gas industry is well governed and safe, we appreciate the contributions made by industry stakeholders, thank you to the Department of Employment and Labour for their support and all the Directors who have given their time to build SAQCC Gas over the past 15 years,

Looking forward to another 15 years of sustainable growth in serving the gas industry!

AFRICA ENERGY INDABA

SAQCC Gas exhibited at the Africa Energy Indaba, Cape Town in March 2023. The response from the industry stakeholders was encouraging and it was the ideal platform to engage Cape Town region practitioners regarding energy and the gas sector.

"Safety and Compliance once again is the winner." - Eddie Cooke, Marketing and Communication's director.

WHAT'S NEW WITH THE LATEST VERSION OF THE COC APP?

SAQCC Gas has launched the latest version of the Electronic CoC, version 2.0.0.22 with the following new features

- Expiry reminder's notification – you will get a pop-up notification when you login to the App (90 days prior to the expiry date) this serves as a reminder to apply for renewal before your license expires.
- Expiry reminder – we have added the notification icon on the top right of the App, this icon will change to red if there is an unread/new message and remains white if there is no new message.
