CODE OF GOOD PRACTICE FOR GAS PRACTITIONERS

I, ID Number

the undersigned, as a registered Gas Practitioner, shall:

1. Undertake only those assignments/installations which fall within the authorized level of registration and scope of work for which I am competent by virtue of training, experience, and certification.
2. Prior to undertaking any maintenance, repairs, alterations and/or additions to existing equipment and/or pipelines installed on customer premises, I must first establish the ownership of the equipment and/or pipelines. This is necessary to ensure that the owner of the equipment and/or pipelines carries out the necessary work or employs a third-party registered gas practitioner to carry out the work on their behalf.
3. Indicate to my employer, supervisor, or mentor any adverse consequence that may result from an alteration to the designed installation by a non-technical authority or client.
4. Be objective, thorough, and factual in any written report, statement or testimony of the work performed and include all relevant or pertinent information in such documents.
5. Sign only for work I have personally carried out or work supervised for which I have personal knowledge through direct technical control or supervision.
6. Have proper regard for the safety, health and environment concerning the user, the public and the fellow employees.
7. Protect to fullest extent possible, constant with the wellbeing of the gas industry and public, any information given in confidence to me by my employer, supervisor, colleague, client, or this gas association.
8. Strive to maintain proficiency by updating my personal technical knowledge and skills as required to apply the desired application skills efficiently and effectively within the respective gas industry.
9. Maintain the highest degree of personal integrity, credibility, and business ethics at all times.
10. Report any unsafe practices, sub-standard work, persons' working out of scope and non-registered persons to the SAQCC Gas.
11. Inform SAQCC Gas immediately of any change in personal or business contact information.
12. Take cognizance of the SAQCC Gas Disciplinary Code of Conduct and Disciplinary Procedure.
13. Comply with the SAQCC Gas Anti-Trust Policy and Meeting Rules.
14. Comply to the Occupation Health & Safety Act (No 85 of 1993), regulations and all required health and safety standards and SABS Code of Practice.
